ABSTRACT REVIEW FORM

PURPOSE SCORE ______
Explicitly stated, important topic, fits conference goals (3)
Purpose stated and related to conference theme (2)
Not explicitly stated but discernable, narrowly related to conference theme (1)
Unclear (0)

SIGNIFICANCE SCORE ______
Important issue with significant outcomes (3)
Key issue of concern may be a pilot study or work in progress (2)
Not a key or innovative topic, weak results (1)
Unimportant issue (0)

ORIGINALITY SCORE ______
Original work (new problem, solution or perspective) that does not duplicate previous work (3)
Replicates important work done by others (2)
Duplicates work done by others, without significant findings (1)
Old idea (0)

METHODOLOGY SCORE ______
Sound methodology, design clear and appropriate for the study (3)
OK: Design not clearly stated but methods seem appropriate (2)
Poor: Design unclear (1)
No design stated (0)

STATISTICAL ANALYSIS SCORE ______
Appropriate data analysis methods (2)
Data analysis described but not comprehensive (1)
Inappropriate (0)

RESULTS/DISCUSSION SCORE ______
Appropriate, explained well. Likely to provide new knowledge (3)
Not well described but discernable (2)
Outcomes not clear (1)
Proposed study (0)

OVERALL IMPRESSION ______
Accept for Oral (Podium) Presentation (3)
Accept for Poster (1)
Do not accept (0)

TOTAL SCORE ______/20
